

EXHIBIT "A"

SCOPE OF WORK

The services described herein shall be performed on an as-needed basis upon Canyon Lake's written request. Canyon Lake shall have no obligation to utilize Lake Elsinore's services or to guarantee any minimum amount of work. Each specific road closure or traffic control project shall be authorized by a separate writing issued by Canyon Lake's City Manager or designee.

Lake Elsinore will assist Canyon Lake with road closures or similar highway restrictions as requested by Canyon Lake. Such work includes, but is not limited to, restricting access to a street for construction, emergencies, or events, installing barriers, detour signage, traffic control devices, and coordinating with utilities, emergency services and law enforcement to ensure safety and manage traffic flow, ranging from partial lane closures to full closures with no access. Lake Elsinore shall obtain all necessary permits and approvals from applicable agencies prior to implementing road closures. All work shall be performed in accordance with the California Manual on Uniform Traffic Control Devices (CA MUTCD), applicable Caltrans standards, and all applicable OSHA requirements.
