14. Force Majeure – Client agrees to assume the risks of weather, strike, civil unrest, terrorism, military action, governmental action, and any other causes beyond the control of Pyro and Pyro which may prevent the Production from being safely discharged on the scheduled date, which may cause the cancellation of any event for which Client has purchased the Production, or which may affect or damage such portion of the exhibits as must be placed and exposed a necessary time before the Production. If, for any such reason, Pyro is not reasonably able to safely discharge the Production on the scheduled date, or at the scheduled time, or should any event for which Client has purchased the Production be canceled as a result of such causes, Client may (i) reschedule the Production and pay Pyro such sums as provided in Paragraph 15, or (ii) cancel the Production and pay Pyro such sums as provided in Paragraph 16, based upon when the Production is canceled.

15. The Production shall be rescheduled for a date not more than 90 Days subsequent to the date first set for the Production. The Production shall not be rescheduled to a date, or for an event, that historically has involved a fireworks or confetti production. The Production shall not be rescheduled between June 15th and July 15th unless the original date was July 4th of that same year, or between December 15th and January 15th unless the original date was December 31st of the earlier year unless Pyro agrees that such rescheduling will not adversely affect normal business operations during those periods.

16. Right To Cancel – Client shall have the option to unilaterally cancel the Production prior to the scheduled date. If Client exercises this option, Client agrees to pay to Pyro, as liquidated damages, the following percentages of the Fee as set forth in the Scope of Work, Paragraph 3.1. 1) 50% if cancellation occurs 30 or more days prior to the scheduled date, 2) 75% if cancellation occurs 15 to 29 days prior to the scheduled date, 3) 100% thereafter. In the event Client cancels the Production, it will be impractical or extremely difficult to fix actual amount of Pyro's damages. The foregoing represents a reasonable estimate of the damages Pyro will suffer if Client cancels the Production.

17. No Joint Venture – It is agreed, nothing in this Agreement or in Pyro's performance of the Production shall be construed as forming a partnership or joint venture between Client and Pyro. 21. **Severability** – If there is more than one Client, they shall be jointly and severally responsible to perform Client's obligations under this Agreement. This Agreement shall become effective after it is executed and accepted by Client and after it is executed and accepted by Pyro at Pyro's offices in Rialto, California. This Agreement may be executed in several counterparts, including faxed and emailed copies, each one of which shall be deemed an original against the Party executing same.
